## Intro: HE ADDS LIFE TO ORDINARY WORDS

Posted by [ [swauthor](#) ] Aug 31st 2005 - 3:28PM Posts to date: 3080

### HE SPEAKS THROUGH ADDING LIFE TO ORDINARY WORDS (QUICKENING)

"It is the spirit that quickeneth; the flesh profiteth nothing: the words that I speak unto you, they are spirit, and they are life." (John 6:63 KJ)

"...All the Lord's Words, no matter what form we hear them, must be quickened by His Holy Spirit. The Bible says, only what is quickened by His Spirit will give life. Quickened is an obscure Biblical word, but without its power, our relationship with Him is limited to a dead language. The literal Greek meaning of the word quicken is to "make alive, or give vitality." We can go through life reading words and looking at signs, but words are just words until they are quickened and we finally realize they apply to us.

I remember hearing a story about a woman who brought her shy, unbelieving husband to church. He quietly listened to the entire sermon. Many things he heard related to his personal life (were quickened). Later, when confronting his wife, he said how embarrassed he was that she had told the pastor all about his personal problems. She was astonished because she hadn't said anything.

Quickening happens when you hear a story, etc. and all of a sudden it connects with your personal life. His quickening power says, "Listen to this, I'm talking to you!"

His quickened Words are like a puzzle piece that perfectly fits the shape of your life — You could have a need, or be in a set of circumstances, or whatever, and when the Lord quickens something it becomes applicable, it has a niche — a place to fit. Quickened Words from the Lord are always relevant.

Sometimes a puzzle piece will appear to have the right shape and size but when you apply it, it is not a perfect fit. Quickening is not what appears to fit. Quickening is a realization that it does fit. When it fits, your heart knows it..."

{From the book, 101 Ways God Speaks (And How to Hear Him)  
By Sandy Warner

This forum contains many snip-its of quickened Words from God to those who have posted here. They are examples of Words given in a time of need or within the frame work of something He was speaking. You can read them with your intellect and even be entertained. You can learn the language in which He speaks through the knowledge there-in. You can grow from the wisdom that is tucked inside. But these Words will remain virtual letters on the screen of your mind, if you are not in a place in which to receive them with your heart. The difference is the Holy Spirit breathing life into them, to meet you at your point of need.

The scripture says to be careful for the allotment that you hear Him. It says the measure you portion to hear His Word, will be the measure you will hear. Let this forum stretch your boundaries for hearing Him speak. Let this forum be an example of His language to build a bridge for your living relationship with Jesus Christ, the Holy Spirit, and the Heavenly Father.

You are dearly loved. He wants to connect with you and speak to you every day!

Mark 4:23-25 NKJV

If anyone has ears to hear, let him hear." Then He said to them, "Take heed what you hear. With the same measure you use, it will be measured to you; and to you who hear, more will be given. For whoever has, to him more will be given; but whoever does not have, even what he has will be taken away from him."

## THE ROLE OF QUICKENING IN HEARING STRONG

Posted by [ [swauthor](#) ] July 6th 2006 - 1:46PM Posts to date: 3080

RHEMA 11/19/03 SUCK, DON'T CHEW

PIX: I saw a giant jaw breaker machine.

HEARD: Yum. Heavy shakes. Delight and chew.

PIX: I saw a sign that said, "See it rightly."

HEARD: Catch. This is the place to go. They last a long time. That's My quickening. Go for it.

### INSERT JAW BREAKERS

I saw many colors and sizes of jaw breakers this month. He is giving us sweet Words that are really hard to chew, dissolve or "crack" open with understanding. As the days go by, the revelation and understanding will slowly dissolve and become evident and a gradual part of us. Sometimes we don't see things rightly, because our minds are just as hard as the jaw breakers, and so He takes us the long route towards understanding. As our mind-sets dissolve,

so does His strong Words.

**WORD TO PONDER: DISSOLVE SLOWLY, DON'T CHEW 11/19/03**

Occasionally I give you Words that are too hard to chew and too large to swallow. I already know how you will receive these. Therefore I bring this overload in many colors and sizes, and give them a sweet taste. They circle your life like a giant jaw breaker machine. You put your request in for a Word, and it comes forth from heaven in a spiraling cascade, circling your life over and over again. Finally this weighty and colorful Word comes out of the slot and it is so large, all you can do is suck on it a bit at a time. This may be different than what you are used to dear one, but your place is to ask, then allow Me to answer in the best possible way. I know what is a good and perfect gift, and I know the exact amount of time it will take for you to digest what I have sent.

**1 Cor 2:13-16 NKJV**

These things we also speak, not in words which man's wisdom teaches but which the Holy Spirit teaches, comparing spiritual things with spiritual. But the natural man does not receive the things of the Spirit of God, for they are foolishness to him; nor can he know them, because they are spiritually discerned. But he who is spiritual judges all things, yet he himself is rightly judged by no one. For "who has known the mind of the LORD that he may instruct Him?" But we have the mind of Christ.

**THE ROLE OF QUICKENING IN HEARING STRONG MEAT**

Digestion, using the helpful and discarding the waste, takes time. To run a long race you need the strength of muscle which is built by protein. Protein or meat is not quickly assimilated into the body. Meat takes longer to break apart and be assimilated, in order to release energy. In comparison to the quick burst of His quickening energy of something sweet, God gives us something to discern (meat to chew on) to give us strength to run the race.

When the Lord quickens solid foods, the energy received is not a quick burst as from milk, but a gradual process of increased strength. Therefore, the quickening and revelation of solid food is not as easily identified as previously described in this chapter: the instant, "OH that fits!" and "OH, that's Him!" Solid food doesn't give a quick OH! Rather, it's an "OOOOOOOOOOOOOH!" It's the same Holy Spirit, and the same quickening and revelation, but one takes longer!

This post had me really puzzled at first, then giggling with delight at the Lord's wonderful sense of humor! I was sitting here frowning deeply as I read it, trying to work out what on earth a "jaw breaker machine" is!

Your references to "heavy shakes" and "crack open" at first had me imagining what we Aussies call "the jaws of life" - a machine used to rip open crushed cars so you can get the accident victims out!

However, I soon realized these would be much too large to "circle your life," so next I was wondering if it was some kind of medical equipment used when reconstructing people's jaws during surgery - after all there was reference to being able to obtain a sweet taste after the machine had done its job! Curiouser and curiouser! (No, not everyone in Australia is completely stupid! It's just that we speak a totally different language!) 🤔

Imagine my consternation as I pictured either one of these things as an "overload in many colors and sizes - coming from heaven, no less! - in a spiraling cascade, circling my life over and over again!" It sure didn't seem like God could teach me anything much this way!

It wasn't until I read, "this weighty and colorful Word comes out of the slot and it is so large, all you can do is suck on it a bit at a time" that finally "the penny dropped" and I realised you were talking about a machine containing very large, round lollies (I think you would call them hard candy??) In Australia these are referred to as "all-day-suckers" or "gob-stoppers!" (Gob = mouth; stopper = can't open your mouth wide enough!)

I laughed so hard about my silly cultural misunderstanding, because the rest of your lesson made such perfect sense when I actually knew what you were talking about! The true imagery was so incredibly accurate that it left me totally gob-smacked. 😅

This is such a perfect example of what you are teaching us when you write, "Sometimes we don't see things rightly, because our minds are just as hard as the jaw breakers, and so He takes us the long route towards understanding. As our mind-sets dissolve, so does His strong Words."

I hope any other readers from "Down Under" aren't offended by my sad misrepresentation of our national intellect! God sure took me via the long route today, but the humor of it all has made the lesson an exceedingly sweet one to learn, and one that will definitely last a very long time! 😊

Love and blessings,

Janine

Hi Janine,

That is the most hilarious thing I have heard in a long time!

I love what the Lord told Bobby Conner. Bobby says, "Do you know what language God talks? Well it's Texican, just like me!" Then he proceeds to say that God talks in our own personal language, including our culture, and he says that God talks in the way that we will listen. And when Bobby questions Him about the way He talks, the Lord says, "I can talk anyway I want to!"

Bobby has a joke about his Texas accent. He says, when goes to England, which is the foundation of our proper English in America, that they actually have to give him an interpreter because they don't understand his drawl. I laugh at that one every time.

I have often wondered how applicable my book 101+ Ways is in other countries... billboards and bumper stickers in the jungle. And I can only image how it would be translated to try to relay the same parable but with different tools...

I remember Wayne telling me a missionary story where they were trying to explain the nails on the cross. Then when the next shipment came in, there was a can of peaches that accidentally had a nail in it. Amazing.

Thanks for sharing your helpful bridge today!

## A Bounce in Your Step :o)

Posted by [ [swauthor](#) ] July 5th 2006 - 10:07PM Posts to date: 3080

RHEMA 11/5/03 A Bounce in Your Step

DREAM PIX: I was pushing down my recorder button. I said, "When it springs back, as you push down, it's like putting a bounce in your step. (Then I could feel the button under my foot springing me up for a lighter walk). That's how you can tell whether it's the Lord."

WORD TO PONDER: MY QUICKENED WORDS 11/05/03

The Words that I speak are alive. They give life. Sometimes you question if what you hear is My Word for your life. If I were to hook you to a jumper cable and charge you back to life, does it charge someone else? No, it is meant for your life. Does the battery question the Source of the charge? No, it simply detects life and energy and receives it. My Word connects with your heart and charges you with belief. My Words put a bounce in your walk of faith, by

giving you a momentary lift off for the next step.

John 6:63 NKJV

It is the Spirit who gives life; the flesh profits nothing. The words that I speak to you are spirit, and they are life.

## COLOR PURPLE IS QUICKENED

Posted by [ [swauthor](#) ] Nov 4th 2005 - 10:33PM Posts to date: 3080

### THE KING'S MANTLE IS WAITING

**PRAYER ROOM:** Tonight during pre-service prayer, I was praying and suddenly noticed that the carpet was purple. I had never noticed that before and for some reason it was strongly quickened to me. Then I looked up and noticed there was a line of purple on the walls with lavender above that. As I was noticing these things, a lady came in with a bright solid purple blouse on and I knew the Lord was saying something as the Lord reminded me that Anna had just sent me an e-mail of her vision of a purple robe which had been tossed on a chair.

**CONFIRMATION:** Then after prayer Pastor went around the circle and asked if any of us had a Word from the quiet time after prayer. An intercessor heard the word, "Purple." I knew the Lord was giving us a Word so I shared my confirmations to her hearing, and also Anna's vision. The color purple represents the kingly, royal mantel and the fact that no one was wearing it

was quickened to me that it was waiting for us.

Pastor had heard the Word, "Creative power" during prayer. He prayed over this purple Word, asking that the royal mantle would be given to our church and also to us as individuals. He asked for creative power to be imparted with this royal authority.

**REVELATIONS:** It was after prayer that I noticed pastor had on a lavender shirt and it matched the upper walls of the prayer room. I thought it was a parable of being the son of the King. Jesus' robe was purple. Lavender is in the purple family, a lighter version, like the offspring.

Then later as I was pondering that the dark rich color of purple was on the lower levels of the walls up to about waist high with the lavender above, it was strongly quickened to me. Often when I have been in meetings where the kabod of the Lord is present, it affects my legs and I am barely able to walk. It is like walking through thick water in slow motion. I have noticed during those times, that His cloud literally settles on the ground, just like fog and then moves upwards. He has told me during those times that to be in His Presence one must "lay low" and soak. It is a posture of humility and repentance before Him. But is it also literally true as His kabod settles from the ground up. It is like Ezekiel's river that the Lord has so often spoke about when His Presence comes into our meetings in stages. Those that lay prostrate before Him will be the first to receive His kabod. Not only that, but His Presence is rising upon the earth in stages as well.

**Ezek 47:3-6 NKJV**

And when the man went out to the east with the line in his hand, he measured one thousand cubits, and he brought me through the waters; the water came up to my ankles . Again he measured one thousand and brought me through the waters; the water came up to my knees. Again he measured one thousand and brought me through; the water came up to my waist. Again he measured one thousand, and it was a river that I could not cross; for the water was too deep, water in which one must swim, a river that could not be crossed.

**PARABLE:** I also felt that the parable of the rich purple on the walls with the lighter lavender above was a sign of those who are the foundations of the church and their offspring. Later when I was sitting in the service I noticed for the first time, the same color paint theme on the walls.

Later during church Pastor loosed a wave of creative power over all those who were standing in need of such. I felt a very strong blasting wave flow through me as he did this.

**FURTHER REVELATION:** I just realized that the kingly anointing is the lion which represents the apostle.

**WORD TO PONDER: KING'S MANTLE IS WAITING 9/18/05**

Dear ones, there is a royal authority, an enduement of creative power that is waiting to clothe you. It has fallen from heaven and waiting in a resting place for you. My government will be placed upon your shoulders. You shall walk in creative power as you loose My Word through the spoken Word. As kings in My kingdom, decree and declare and dispatch My Word to those who are waiting.

**Isa 22:21-23 NKJV**

I will clothe him with your robe and strengthen him with your belt; I will commit your responsibility into his hand. He shall be a father to the inhabitants of Jerusalem and to the house of Judah. The key of the house of David I will lay on his shoulder; So he shall open, and no one shall shut; And he shall shut, and no one shall open. I will fasten him as a peg in a secure place, and he will become a glorious throne to his father's house.

---

**UPDATE:** I had a fun confirmation. I had just posted this about the color purple and then I downloaded my e-mails. Anna had sent me her rhema for last night:

GRANDMA ANNA RHEMA 11/04/05:

VISION: I saw the back of a grey haired lady wearing a purple coat.

CT: 12:48 A.M. Son, heir. The service of those who prepare and present food.

LOFM HEBREW: NLT Psalm 2:12 Submit to God's royal son <1248>, or he will become angry, and you will be destroyed in the midst of your pursuits -- for his anger can flare up in an instant. But what joy for all who find protection in him!

LOFM GREEK: NLT Luke 10:40 But Martha was worrying over the big dinner she was preparing <1248>. She came to Jesus and said, "Lord, doesn't it seem unfair to you that my sister just sits here while I do all the work? Tell her to come and help me." 41 But the Lord said to her, "My dear Martha, you are so upset over all these details! 42 There is really only one thing worth being concerned about. Mary has discovered it -- and I won't take it away from her."

UNDERSTANDING: CT is the clock time she saw the vision.

LOFM is the first time the word is used in scripture, and what scripture. It means Law Of First Mention.

The lady was wearing a purple mantle, or anointing. She was preparing food for the Son's banquet.

## Re: COLOR PURPLE IS QUICKENED

Posted by [ [kimber](#) ] Nov 5th 2005 - 6:31AM Posts to date: 49

Several years ago, I was extremely exhausted, emotionally and physically. As I laid down in the middle of the day to take a short nap (which I very seldom ever do), the Lord met me there with a vision/dream. He showed me seated with Him on His throne with His royal robe around both of us TOGETHER. I had a royal crown on my head. He extended His scepter to me and we held it TOGETHER, one end in His hand and the other end in mine. I had my head leaning on his chest and He whispered His words into my ear. We carried on very intimate conversations seated TOGETHER. I believe He showed me that this is the place of intercession, Esthers..."And the King said to her, "What is your wish, Queen Esther? What is your request? It shall be given to you--up to half the kingdom?" (Esther 5:3 NKJV)

I have also noticed a pattern in the last several years. Every wedding I have been invited to or helped with has been done in the color purple - Royal wedding!!!!

"But God, who is rich in mercy, because of His great love with which He loved us, even when we were dead in trespasses, made us alive TOGETHER with Christ (by grace you have been

saved), and raised us up TOGETHER, and made us sit TOGETHER in heavenly places in Christ Jesus," (Ephesians 2:4-6 NKJV)

SIT TOGETHER...in Christ Jesus: Three "togethers" in vv. 5 and 6 note our union with Christ. From this place of partnership, He grants that we share in the present works of His Kingdom's power.

Guess what??

After I read this post, I thought, "I would love for You to speak like this to me." I looked at the time (like Grandma Anna does), it was 7:11. I looked up the number in the Strong's concordance, and this is what it says:

Result of search for "711":

711 'argvan arg-ev-awn' (Aramaic) corresponding to 710:--purple.

This may seem insignificant to some, but it seems so much to me, to be reminded that He loves me enough to hear my thoughts.

That just tickles me!!! Our family is always seeing 711! One day the Lord quickened it so much to my son that He gave this scripture to him:

Matt 7:11 NKJV

If you then, being evil, know how to give good gifts to your children, how much more will your Father who is in heaven give good things to those who ask Him!

Then a few years later, after multitudes of 711s, he came home and introduced a very special lady. And he said, "Mom guess when her BD is?" Yep, you guessed it, 7/11. They married 4 years later!!! She is God's very precious gift to us all.

Thank you for sharing your joy, this has just made my day!!!

For a couple of weeks, I have been drawn to purple and white. I met a friend for lunch during this time and she presented to me a gift that the Lord had told her to give to me. It was a white cloth with a lavender plant embroidered on it, a bottle of lavender body lotion and a box with beautiful lavender soap. And, this morning I went out to photograph a new flower in my garden - yep - it's a white and purple flower. Although I don't understand why, I feel such excitement in my spirit about the colour purple at this time, especially when it appears with white.

My eyes were enlightened when reading Esther's "Color Purple is Quickened," for recently I had similar experience with colors white and purple.

Here was my experience: On this past Saturday (4/8/06), I took a walk with my kids around our neighborhood. When we passed a certain place, I saw some beautiful flowers in the ground. What amazed me were their gradually changed colors. Some have pure white color with a tint of purple, some have purple color, the rest have colors from white to purple. They were the same kind of flowers, but the color changes gradually from white to purple.

Biblically I know white stands for purity, purple stands for royalty and authority. What was quickened to me is that the change of color from white to purple is consistent with our spiritual progress in the Lord.

When we first receive the Lord into our lives, the blood of our Lord covers all our sins, we are white at his sight, at that time our lives are not like the king, but only with His seed of royalty in our lives. Then after years of disciple, the purple is added gradually into our lives. Finally we will become purple, which represents the Lord in the earth to display His glory.

Personally, I sense many brothers and sisters have become purple people at this time.

Dear brothers and sisters, where are you? Let's strive to become purple in His eyes, that is also the desire of the Lord. Let's encourage each other with the word of Lord:

**Philippians 3:13-14 (New International Version)**

13Brothers, I do not consider myself yet to have taken hold of it. But one thing I do: Forgetting what is behind and straining toward what is ahead, 14I press on toward the goal to win the prize for which God has called me heavenward in Christ Jesus.

With Love and Blessings,

Tao
